

New Member Information

Welcome to Harbor Hills! You have picked a great place to live. There is a great opportunity to play organized golf with the Harbor Hills Men's Golf Association. You will receive another document to describe what the HHMGA can offer. You will need to join the HHMGA to play in all the MGA Tourneys. Membership is \$50 per year. Just about everything you need to know about The Harbor Hills Men's Golf Association is at the website. Link to HHMGA Website: <http://hmgga.com/Default.aspx>. You only need to be a full golf member to play the individual organized games I will mention later below.

The Sider Cup is our premier tourney of the year. The Sider Cup tourney uses a similar format as does the Ryder Cup. Once you sign up, you will be assigned to either the Red or Blue team depending upon which team needs additional players. You will remain on this team for all remaining years. The MGA website even contains the story of how the Sider Cup was created.

In addition to the Sider Cup, we have a full schedule of Tournaments if you are interested in playing in those. Click on the Schedule link to see the full year of HHMGA events: <http://hmgga.com/>

There are also plenty of options to play golf in organized weekly games. Below are all the organized weekly games and the contacts to get started. Each one of these guys will probably contact you with information on their particular game and how to get started.
